

## *Nuclear Science and Engineering* M&C 2023 Special Issue Invitation

Dear M&C 2023 authors,

M&C 2023 has partnered with *Nuclear Science and Engineering* (NSE) to publish a special issue of papers derived from the conference. You are invited to submit your work for consideration in the issue. If interested, please contact the conference issue guest editors, Doddy Kastanya and Dumitru Serghiuta, and/or submit directly into NSE's peer review system. **\*\*Submission deadline ~~November 17, 2023~~ extended to December 15, 2023.**

Details:

- Your submitted paper should be derived from your conference paper but *must* be updated to include final results and a full description of the methods/technology.
- Your paper will go through the standard journal peer review process. This invitation is not a guarantee of acceptance or publication.
- Please be mindful of the article type when submitting your paper. See the descriptions on the [Aims & Scope webpage here](#).
- Standard publication in NSE is free of charge. Open access publication is available for a fee (\$2575 per paper).
- There is no restriction on length. Please follow submission guidelines at the [journal's website](#).
- Accepted papers are published online ahead of print, immediately following copyediting and typesetting—often in as little as 6 to 8 weeks. The compiled special issue will follow, with print publication estimated for Q3 2024.

Submission instructions:

- Visit NSE's Submission Portal page at <https://v2.rp.tandfonline.com/submission/create?journalCode=UNSE>.
- During submission, you will be asked if your submission is for a special issue. Please select the "M&C 2023 special issue" option from the list.
- Having trouble? Email [nse@ans.org](mailto:nse@ans.org) with any questions.

Journal editor Dr. Farzad Rahnema also welcomes any questions directly emailed to [frahnema@outlook.com](mailto:frahnema@outlook.com). We are looking forward to your submission.

Our very best,

Dr. Farzad Rahnema, *Nuclear Science and Engineering* editor-in-chief  
Dr. Doddy Kastanya, M&C 2023 special issue guest editor  
Dr. Dumitru Serghiuta, M&C 2023 special issue guest editor
